Subject**BEM 707, Provider Disqualifications - New Item****CDC**

CDC Policy has implemented a disqualification process for providers who are found to be in violation of program rules. Providers will receive one notice of potential rule violations prior to a disqualification being imposed. Subsequent rule violations will result in a six month, twelve month or lifetime penalty period.

Reason: Administrative rule change.

Communication Plan: Workforce Training and Development powerpoint and Revision of Publication 141, Child Development and Care (CDC) Unlicensed Provider Enrollment Process.
